CLEVERTOUCH

Pro Series

65" Pro Series 4K LUX

Technology for Sharing

Re-invent your boardroom, office or meeting room with Clevertouch Pro - an advanced interactive touchscreen that brings the modern workspace to life. The Clevertouch Pro is remarkably easy to use, thanks to its amazing LUX user interface. It requires no set-up or calibration, has full access to the internet and can display a variety of files without the need to connect additional hardware.

Our award winning business software suite and integrated apps offer you flexible ways to interact with your team, whether they are remote workers or accompanying you in the meeting room. Laptop, tablet and even smartphone users across all operating systems can share their screens with the Clevertouch making it ideal for project management, review or any kind of collaborative decision making.
